CELEBRATE BATTLE OF BIG BETHEL

The Old Point Railway Must
Pull Down Its
Fence.

(Special to The Times-Dispatch.)
NEWPORT NEWS, VA., June 10.—The forty-third anniversary of the first land engagement of the Civil War was celebrated today by the Confederate veterans of this section by holding a picnic at Big Bethel Church, York county, where the battle took place. The engagement was between a detachment of Federal Cavalry and the army, stationed at Fort Monroe, and the Confederate forces under command of General Magruder, who at Bethel barred the march of the Union soldiers on Yorktown, and defeated them in the first land fight of the war. A movement toward erecting a monument on the battlefield was started today.

It is understood that Judge Waddill, of the Federal Court, has issued an order instructing the Newport News and Old Point Railway and Electric Company to pull down its fence at Buckroe. This is the outcome of the fight between the new and old railway companies, the fence being erected to prevent patrons of the new company from getting into the pavilion at Buckroe Beach without paying admission.

GURKHAS ROUTED TIBETAN FORCES

Withheld Fire for Over an Hour
and Then Opened Independent
Magazine Attack.

(Special London Times Cable to The Times-Dispatch. Copyright, 1904.)
GYANTSE, TIBET, June 11.—The Tibetans made an attack last night on the advance post held by the Gurkhas under a native officer. They withheld their fire for over an hour with admirable discipline and then utterly routed the Tibetans with a few minutes' independent magazine fire. No importance is attached to these frequent night attacks, which are due only to insistent orders from Lhasa and are carried out by the latest recruits sent to Gyantse without expectation of any real success.

Information has been received that Karola has been temporarily abandoned, but that a strong force is being sent along ready to occupy it on the news of any advance on the part of the British expedition.
